

KPCC + KUOR PROGRAMMING REPORT				
April - June 2008				
Key	Program Title	Date	Time	Guest(s)
POLI	Mayor appoints ethics commissione	4/1/08	1:00	Stoltze
POLI	Uncommitted superdelegate won't comm	4/1/08	1:01	Felde
OC	Santa Ana Police investigate discovery of dead baby in yard	4/1/08	1:01	Valot
SCIE	A new technology has scientists seeing stars and black holes	4/1/08	1:03	Binkowski
OC	OC Supervisors agree to study a 311 call center system	4/1/08	1:04	Valot
ENER	LA City Council to return to proposed rate increases for water and power	4/1/08	1:08	Watt
ENT	Multiple Grammy winner and Southland resident Nancy Wilson is in the hospital	4/1/08	1:13	Devall
LABOR	AFTRA decides not to bargain jointly with SAG in upcoming negotiations with studios	4/1/08	1:18	Watt
IMMIG	Humane Repatriation program helps deportees	4/1/08	1:20	Isakson
IE	Temecula to consider formation of AM radio station	4/1/08	1:21	Cuevas
LAW	Next year it may be more difficult to volunteer	4/1/08	1:55	Russ
ENVT	Cutting through bureaucratic red tape and bypassing over 30 laws, the Bush administration is attempting to complete the partially constructed fence along the US/Mexico border.	4/1/08	00:33	Russ Knocke, Rep. Brian Bilbray, Rep. Bob Filner, David Shirk
FOR	The people of Zimbabwe are eagerly awaiting the release of election results from current President Robert Mugabe, however 3 days after the polls there still remains no electoral data.	4/1/08	00:17	Michelle Gavin
SCI	USC biologists testing on mice made a potentially important step in combating the often debilitating effects of chemotherapy on cancer patients.	4/1/08	00:33	Valter Longo, David Quinn
ENER	His book "Living Like Ed: A Guide to the Eco-Friendly Life" is both a documentation of a personal journey to creating an earth-friendly lifestyle, and a handbook for those wanting to take a similar path.	4/1/08	00:19	Ed Begley
ART	The founder of Greenopia, a guide to eco-friendly goods and services, offers advice for those trying to decipher between truly environmental products and phony ones.	4/1/08	00:07	Gay Browne
LAW	California State Assemblyman Mike Feuer is proposing a new gas tax to help fight global warming. If passed by voters, the extra fee would cost drivers in Los Angeles County an extra 9 cents per gallon, or an extra \$90 on their vehicle registration.	4/1/08	20:00	Assemblyman Mike Feuer
LAW	Larry gets an update on the trial of Anthony Pellicano, the former private eye to the stars, who faces 110 counts of racketeering, wiretapping, conspiracy, and other federal charges.	4/1/08	10:00	Carla Hall
HEAL	Fifty or 100 years ago, infectious diseases such as polio, small pox and tuberculosis killed, disabled, and disfigured millions of Americans. But antibiotics, vaccines, and better hygiene have led to a healthier nation. The problem: now autoimmune diseases and allergies are on the rise	4/1/08	30:00	Dr. Haig Tcheurekdjian, Dr. Stanley Fineman, Sudarsan Raghavan

ENV	In his new book <i>The Life of the Skies</i> , author Jonathan Rosen sets out on a quest not merely to see birds but to understand their centrality—historically, spiritually and scientifically—to a culture torn between the desire to conquer and to conserve. Rosen argues that bird-watching is nothing less than the real national pastime and his book, part birding history, part birding travelogue also considers the spiritual yearning of the birder.	4/1/08	60:00	Jonathan Rosen
TRANS	United Airlines inspection causes delays at airport	4/2/08	1:00	Deval
POLI	Federal raids on medical marijuana dispensaries need to stop, says LA City Council	4/2/08	1:12	Binkowski
HEAL	Bill to require labels for cloned animal products	4/2/08	1:55	Small
HOUS	Sylmar resident unhappy about missing infrastructure in face of expansion	4/2/08	4:33	Nazario
ECON	Today Hillary Clinton comes to Northerr California and this weekend Barack Obama hits up both the Northern and Southern parts of the state, with not one public event between the two of them.	4/2/08	00:13	Allan Hoffenblum
ECON	The Screen Actors Guild has announced that it will begin negotiations with Hollywood producers on April 15th. The early talks were prompted by a decision this week by the smaller union AFTRA to split off from SAG in negotiations.	4/2/08	00:09	Alex Ben Block
LAW	Seedy nightclubs, suspense, seduction, murder-sounds like the making of a 1940's film noir. However, these are the contents of Joseph Wambaugh's newest novel, "Hollywood Crows."	4/2/08	00:28	Joseph Wambaugh
GEND	The Chief of Police has been dealing with much critique stemming from the SWAT report which loosened requirements so that women may join the team. Plus, he has been attempting to beef up the number of officers while state funds are at an extreme low.	4/2/08	00:44	William Bratton
HIST	Focusing on the events of 1958, the exhibit consists of over fifty sleek black and white photographs capturing retro-outfitted Hollywood hotshots, while others in the series expose the corruption and chaos behind a sunny palm tree façade.	4/2/08	00:09	Tyson Gaskill
LAW	Chairman of the Federal Reserve Ben S. Bernanke warned against a recession and a stagnant U.S. economy in a presentation to a Congressional committee Wednesday morning. Larry Mantle talks with experts about Bernanke's assessment of the country's financial situation and the impact it will have on global economic growth.	4/2/08	20:00	Jack Shaw, Chris Thornberg

ECON	With pressure to curb mounting foreclosures, U.S. Senators drafted a bipartisan mortgage relief bill on Tuesday. For weeks Democrats and Republicans were deadlocked over the bill, but finally drafted legislation that promises to help struggling homeowners. Larry Mantle talks with experts about the details of the bill and their outlook on how it will rescue homeowners.	4/2/08	10:00	J. Taylor Rushing, Chris Thornberg
HEAL	Governor Schwarzenegger's administration has moved to ban physicians and hospitals from billing patients for the cost of services that exceed what their HMOs are willing to pay. Larry talks with guests about "balance billing," the ongoing feud between doctors and insurance providers, and the patients caught in the middle.	4/2/08	30:00	Jordan Rau, Francisco Silva, Rick Martin, Mark Bell
ENVI	As biofuel use increases exponentially around the world, more and more research is addressing the impact biofuel production is having on the global warming problem. The news, so far, is not good. Some studies show that the increase in the production of biofuels like ethanol is actually speeding up global warming - not reducing it.	4/2/08	40:00	Michael Grunwald, Bruce Dale, Tim Searchinger
EDU	Larry Mantle chats with the University of California system's newly appointed President, University of Texas Chancellor Mark Yudof . They discuss his leadership at the University of Texas, his plans for the UC System, and more.	4/2/08	20:00	Mark G. Yudof
ENV	Truce between environmental groups and Port of LA	4/3/08	1:08	Peterson
EDU	Bill introduced to loosen up school spending	4/3/08	1:37	Small
ECON	State lawmakers working on plan to slow down foreclosures	4/3/08	2:17	Small
EDU	Long Beach teachers union fields school board candidates after years on sidelines	4/3/08	3:58	Guzman
POLI	Today, two FAA whistleblowers are due to testify in front of Congress after drawing attention to the all too chummy affair between the agency and airlines. This relationship may have ultimately threatened the public's safety.	4/3/08	00:22	Scott Brenner, Rep. Bob Filner,
ECON	The abrupt shutdowns of ATA Airlines and Aloha Airlines won't keep travelers off Hawaii's shores altogether, but they could make an already expensive vacation destination even pricier.	4/3/08	00:05	Scott McCartney
ART	Results of the study indicate mentally and physically engaging activities such as socializing, exercising, and engaging in spiritual activity lead to greater happiness. Yet Americans spend an average of 16% of waking hours on the couch.	4/3/08	00:28	David Schkade, Sonja Lyubomirsky
ECON	Executives from the five biggest oil companies in the U.S. were called in front of a House committee. In the face of simmering anger over rising gasoline prices and astronomical oil company profits, the executives went on the offensive.	4/3/08	00:24	Daniel Kammen, John Felmy

POLI	In his latest book, "April 4, 1968," best-selling author Michael Eric Dyson writes about the life, death and legacy of civil rights leader Martin Luther King, Jr., 40 years after his assassination.	4/3/08	00:28	Michael Eric Dyson
ENV	Harbor officials have reached a tentative agreement with environmental groups to establish a trust fund to address the long-term effects of port operations on the surrounding neighborhoods. The agreement goes before the Harbor Commission today (Thurs).	4/3/08	20:00	S. David Freeman, Martin Schlageter
ENT	With the advent of digital media, all new battles are raging over who gets residuals for actors in television shows, commercials and movies that appear on the Internet. Negotiations between producers and actors for a new contract are to start on April 28....and the last thing actors wanted was for a divided front.	4/3/08	20:00	Roberta Reardon
MEDI	Larry Mantle talks with William Lobdell, City Editor of the Orange County Edition of the <i>Los Angeles Times</i> , <i>Orange County Register</i> senior editorial writer and columnist, Steven Greenhut, and Gustavo Arellano, <i>OC Weekly</i> staff writer about the latest news events and developments in Orange County.	4/3/08	20:00	Steve Greenhut, William Lobdell, Gustavo Arellano
FOR	Peace talks in war-torn Darfur are facing further setbacks with a recent resurgence of violence. The U.N. and African Union have failed to organize meetings between warring factions from the Sudanese government and rebel forces since last fall.	4/3/08	20:00	Edmund Sanders, Jason Small
BUS	Serious disorganization at the new terminal of London's Heathrow Airport may tarnish the image of British Airways. The nearly \$9-billion addition took five years to build, and opened to a disastrous first week.	4/3/08	10:00	Mark Rice-Oxley
LIT	In his new book <i>Fatal Misconception</i> , author Matthew Connelly explores the global history of population control, from family planning to sterilization to genocide. The movement to control the population of other sects, ethnicities and families has changed how people view themselves and their family in the global setting.	4/3/08	30:00	Matthew Connelly
POLI	Patricia Nazario live on funeral of LA City firefighter Brent Lovrien	4/4/08	1:09	Nazario
POLI	Clinton holds fundraiser in Beverly Hill	4/4/08	1:13	Stoltze
	Brian Watt live on funeral of LA City firefighter Brent Lovrien	4/4/08	1:27	Nazario
DIS	Memorial service for fallen Firefighter Brent Lovrien in downtown LA	4/4/08	4:25	Nazario/Watt
ART	LACMA organizes large exhibit of Chicano Art	4/4/08	5:04	Guzman
HEAL	To help track down marijuana growers operating in remote California woodlands, the service has bought a pair of flying drones, one equipped with a thermal camera for nighttime flights.	4/4/08	00:24	Ron Pugh, Jeff Ruch

POLI	Under this measure the FDA could cut nicotine levels in cigarettes, limit advertising and update packages with a more in-depth health warning.	4/4/08	00:28	Rep. Tom Davis, William Corr
ECON	The high prices have motivated a particularly devious and heartless kind of thief, who will rip off copper from the most innocuous location.	4/4/08	00:24	Roger Young, Ron Calderone, Tom Berryhill
LIT	Generation X gets renewed attention as Jeff Gordinier examines with great detail the trends and personalities that came of age in the 1990s.	4/4/08	00:17	Jeff Gordinier
TECH	In an 8-3 ruling The 9th U.S. Circuit Court of Appeals decided Thursday that Roommates.com may be found liable for violating fair housing laws by matching roommates according to gender, sexual orientation and parenthood.	4/4/08	30:00	Michael Evans, Chris Ritter
TECH	Social networking giant MySpace is partnering with major record labels to form a digital music business: MySpace Music. The deal gives MySpace users – all 110 million of them- one stop shopping for their favorite songs, merchandise and concert tickets. Many experts say the deal is a direct challenge to Apple's I-Tunes... the leading music retailer.	4/4/08	30:00	Dawn Chmielewski, Eric Garland, Rara Avis
ENT	News of staff cuts at newspapers around the country has become fairly common lately. Among those who have been laid off or have taken buy-outs are film critics at dozens of dailies and weeklies. Though a plethora of movie blogs exist on the Web, critics whose work appears in print seem to be a dying breed.	4/4/08	20:00	Henry Sheehan, Jean Oppenheimer, Claudia Puig
ENT	Larry and critics Jean Oppenheimer of Village Voice Media, and Claudia Puig of <i>USA Today</i> , review some of the week's new feature films including <i>Leatherheads</i> , <i>Nim's Island</i> , <i>My Blueberry Nights</i> , <i>Chapter 27</i> , and <i>Sex and Death 101</i> , as well as the documentaries <i>Shine A Light</i> and <i>Imaginary Witness</i> . The critics will also discuss the career of director Jules Dassin, who passed away this week at the age of 96.	4/4/08	20:00	Jean Oppenheimer, Claudia Puig
TRANS	Orange County street named for daughter	4/5/08	1:00	Felde
ENT	Charlton Heston dies at Beverly Hills home	4/6/08	1:01	Roman
HIST	Boy Scout Jamboree put OC on the map	4/6/08	1:02	Felde
COPS	LAPD promotes first Asian American to Deputy Chief	4/7/08	1:05	Watt
EDU	California Teachers Association organizes bus tour to protest proposed budget cuts	4/7/08	1:14	Guzman
IE	Economist makes dire predictions on eve of IE business and housing summit	4/7/08	1:30	Cuevas
BUS	Taco trucks are losing half an hour on some streets of L-A County	4/7/08	2:45	Binkowski
	Sandra Tsing Loh discovers that for her kids, there IS such a thing as "too much television."	4/7/08	2:50	Loh
ENER	City Council to approve rate increases for water and power	4/7/08	2:50	Watt
POLI	China Olympics boycott?; South Africa honors Rep. Waters; Boxer vs. Interior Secretary	4/7/08	4:07	Stoltze

IE	Navy Seal from Orange County earns posthumous Medal of Honor	4/7/08	4:12	Cuevas
OC	An Orange County deputy sat watching a baseball game and text-messaging while a mob of inmates fatally attacked another prisoner. What types of reforms must be instituted if the Sheriff's Department hopes to recover from this scandal?	4/7/08	00:13	Adolfo Guzman-Lopez
ART	If you are determined to make socially responsible investments, are you forfeiting a profit to make a point? And how does one determine subjective "socially responsible" behavior?	4/7/08	00:18	Alberto Torrico, Pat Macht, David Vogel
ART	With music sales online eclipsing those of brick and-mortar operations, has the time for iTunes taxation arrived?	4/7/08	00:17	Charles Calderon, Judy Chu
ECON	In his new book "Common Wealth: Economics for a Crowded Planet," Jeffrey Sachs argues the current state of the global economic system and pinpoints the steps to achieve environmental sustainability that the world is so desperately in need of.	4/7/08	00:24	Jeffrey Sachs
MIL	General David Petraeus, Commanding General of Forces in Iraq, and Ambassador Ryan Crocker will testify to House and Senate committees this week on the current situation in Iraq.	4/7/08	00:30	Wayne White, Michele Flourney, Julian Barnes
HEAL	More than 60 UCLA Medical center patients' confidential records were breached by an employee who was fired in May of 2007. The woman responsible, whose name has not been released, looked at the medical records of California first lady, Maria Shriver as well as those of actress Farrah Fawcett and 31 other politicians, well-known people, and non-celebrities.	4/7/08	20:00	Charles Ornstein
MEDI	Larry talks with NPR's new Ombudsman, Alicia Shepard about NPR's programming, and takes calls from listeners	4/7/08	40:00	Alicia Shepard
POLI	Larry and his guests discuss the latest developments in the Presidential race including the resignation of Hillary Clinton's chief strategist, Mark Penn; the Clinton's tax returns, the current super delegate count, and John McCain's speech today (MON) on the Iraq war.	4/7/08	30:00	Linda Feldman, Peter Nicholas
LIT	Larry talks with author David King Dunaway about his biography of Pete Seeger, <i>How Can I Keep from Singing: The Ballad of Pete Seeger</i> that chronicles the life of folk legend and political activist, Pete Seeger.	4/7/08	30:00	David King Dunaway
ART	3 Southland people win 2008 Pulitzer Prize	4/8/08	1:00	Watt
ENT	Workers on reality TV shows file wage claims against prod companies	4/8/08	1:03	Watt
ENV	Approval for Wetlands park as well as green lights to billboards	4/8/08	1:26	Peterson
IMMIG	Jamie's Law aim is to target gangbangers from outside US	4/8/08	1:58	Binkowski
LAW	Grand Jury finds violations of procedures by OC deputies in largest jail	4/8/08	2:37	Guzman
OC	OC Sheriff answers questions at board of supervisors meetings on grand jury report	4/8/08	2:39	Guzman
ECON	High gas prices raise concern; airline industry turbulence; Live Nation expands	4/8/08	4:40	Stoltze

YOUT	LA City Council voted today to post two 76-foot tall digital billboards in order to create a new park in South Los Angeles.	4/8/08	00:13	Jack Weiss, Jan Perry
LAW	Acting Sheriff Jack Anderson has called in the FBI to do a thorough investigation of civil rights violations at the facility. Sheriff Anderson joins Patt to discuss the investigation into these appalling findings.	4/8/08	00:09	Jack Anderson
ART	His newest book "Who's Your City?" explores the impact on where one resides and how a single location can influence all aspects of a life- from finding the right job to discovering the perfect mate.	4/8/08	00:28	Richard Florida
POLI	General Petraeus and Ambassador Crocker are testifying today before two Senate committees on the status of Iraq. Patt examines the questions, the answers, and the senator/candidates questions in light of their respective bids for the presidency.	4/8/08	00:52	Dan Senor, Wayne White, David Welna
LAW	General David Petraeus, Commanding General of Forces in Iraq, and U.S. Ambassador to Iraq, Ryan Crocker, testify Tuesday morning to the Senate Armed Services Committee on the current military and political situation in Iraq. Gen. Petraeus is expected to propose a temporary freeze in the withdrawal of U.S. troops in order to reduce escalating violence Iraq. Larry Mantle talks with experts about the current state of affairs in Iraq and will analyze the testimony before Congress.	4/8/08	60:00	Daniel Serwer, Loretta Sanchez, Marina Ottoway, Steven Cook, Michael O'Hanlon
HEAL	Californians insurance premiums keep going up	4/9/08	2:11	Small
POLI	Bill would give law enforcement one more way to stop dogfighting	4/9/08	3:30	Small
SPOR	Patt checks in on the torch's topsy-turvy tour of San Francisco fraught with last minute changes and throngs of protesters.	4/9/08	00:13	Dean Karnazes, Gi Gross, Tseten Panucharas
ENER	The Los Angeles City Council votes today on three electrical rate hikes that will total 9%. The remaining 15% comes from subtle 1% increases added every 3 months, which the council may implement without a vote.	4/9/08	00:09	David Zahneiser, Brian Watt
POLI	Five foundations have formed a bipartisan political foundation called California Forward to help the state balance the budget, elect less partisan legislators and provide better public services.	4/9/08	00:25	Leon Panetta
POLI	Patt gets the latest news from the streets of San Francisco where the torch relay has been cut in half and rerouted – sometimes to unknown places.	4/9/08	00:04	Sarah Varney
YOUT	How is LAUSD expected to resolve these issues while facing a \$4.8 billion dollar budget cut?	4/9/08	00:33	David Brewer
MEDI	A new series by KCET, which will be unveiled tonight, "Global Watch," will delve into the nuances of perceptions of the U.S. abroad by speaking with individuals across the globe.	4/9/08	00:12	Bret Marcus
POLI	After moving the torch inland away from protestors and media, one dogged journalist caught up with the torch and joins Patt with an update.	4/9/08	00:06	Mary Ann Ostrum, Sarah Varney
TRANS	American Airlines grounded over one thousand flights across the country for on going maintenance inspections on Wednesday.	4/9/08	00:15	Brian Watt, Matthew Wald, William Swelbar

LAW	<i>Orange County Register</i> reporter, Jennifer Muir, found that scores of California officials and their families have special license plates that often shield them from traffic tickets and toll road violations. The confidential license plate program was initially designed in 1978 to keep law enforcement officials safe.	4/9/08	40:00	Jennifer Muir, Todd Spitzer, Sandre Swanson
IE	Larry Mantle talks with Steven Cuevas , KPCC's Inland Empire Reporter, Cassie MacDuff , columnist with <i>The Press Enterprise</i> , and David Kelly , staff writer for the <i>L.A. Times</i> , about the latest news, events, and developments in the Inland Empire.	4/9/08	20:00	Steven Cuevas, Cassie MacDuff, David Kelly
BUS	American Airlines cancels flights for systems checks, leaving hundreds of thousands of travellers stranded	4/9/08	40:00	Andrea Chang, Ian Gregor, Peter Goelz, Julius Maldutis, Scott McCartney
LIT	According to author Eric Wilson, all this effort isn't making our lives any better; in fact, he says bad moods make us more creative and innovative: think of people like Dickinson, Proust and Goya. Larry talks with Wilson this morning about the theories in his new book: <i>Against Happiness: In Praise of Melancholy</i> .	4/9/08	20:00	Eric G. Wilson
SCIE	DPW's gearing up for global warming	4/10/08	1:08	Binkowski
TRAV	American Airlines passengers on cancelled flights	4/10/08	1:16	Watt
SCIE	Two scientists share major environmental prize from USC	4/10/08	1:30	Peterson
POLI	Hundred of would-be delegates throw off by candidates	4/10/08	1:57	Felde
IE	New study predicts IE will continue to be jobs population leader	4/10/08	2:12	Cuevas
POLI	The story rocked the city of Los Angeles last July when the mayor admitted having an ongoing affair with television anchor and reporter Mirthala Salinas. We finally hear Salinas' side of the story	4/10/08	00:09	Shawn Hubler
POLI	What was supposed to be a symbol of hope and international cooperation has turned into a giant protest and, some would say, a pointless waste of police manpower. How did it come to this?	4/10/08	00:28	Anita De Frantz, Dear Karnazes, Mary Ann Ostrom
ECON	Emergency rooms are getting busier, but it's due as much to wealthy people. The problem may be more about structural flaws in our medical care system that make it too hard to see a doctor when you need one.	4/10/08	00:33	Ellen Weber, Marshall Morgan
HIST	Made up of more than 500 photographs and rare ephemera from 1870 to 1930, the book explains how and why Los Angeles drew so many.	4/10/08	00:11	Tony Zimmermar
HIST	The arts and crafts movement is the signature architecture of Los Angeles. Nowhere is that better exemplified as in "The Gamble House." The house will turn 100 tomorrow.	4/10/08	00:07	Don Waldie
SPOR		4/10/08	30:00	Scott Schafer, Tseten Panucharas, David Wallechinsky

FOR	While the Olympic torch makes its way to Beijing people around the world are protesting many of China's practices. Larry and his guests discuss how China is dealing with the negative publicity it's receiving because of their relations with Tibet and Taiwan, their citizens' lack of individual freedoms, and their choice to do business with Sudan.	4/10/08	30:00	Jeffrey Bader, Ed Berkey, Susan Shirk
LAW	Texas authorities have removed over 400 children from the YFZ Ranch, a polygamist compound in West Texas. The raid was made after a 16 year-old girl made an anonymous call from the Ranch complaining of physical and sexual abuse.	4/10/08	30:00	Matt Phinney, Harvey Hilderbran, Brenda Jensen
LIT	In her new book <i>Winner Takes All</i> , <i>Wall Street Journal</i> columnist Christine Binkley chronicles how a world-renowned art collector, an aging billionaire and an economist from Harvard Business School came to battle one another for the Vegas Strip.	4/10/08	30:00	Christina Binkley
LAW	Councilman zine says ask all gang members the immigration status	4/11/08	1:02	Stoltze
LAW	Cops warn gays ... easy targets for gang	4/11/08	1:04	Moran
DIS	Commercial salmon fishing season cancelled	4/11/08	1:21	Small
ART	As the Democratic nomination fight mercilessly drags into to the next primary it guarantees that politicians will continue to say stupid things. Why turn to another witless pundit when you can turn to us for breathless analysis?	4/11/08	00:13	Ben Gleib, Wayne Federman
IMM	Los Angeles Councilman Dennis Zine will introduce a proposal today to amend Special Order 40 and require LAPD officers who are investigating gang members who might be undocumented to check on their immigration status.	4/11/08	00:24	Dennis Zine, Sergio Diaz, Andrew Blankstein
POLI	In his new book "America: Our Next Chapter," Chuck Hagel provides answers to our country's greatest concerns and describes how to build the strongest foundation for America's future.	4/11/08	00:28	Chuck Hagel
LAB		4/11/08	20:00	Kenneth Weiss, David Landecker, Carla Fisk
HEAL	LA County Department of Health Services Director Dr. Bruce Chernof resigned yesterday (THURS). Dr. Chernof said his decision was unrelated to the failure to find a new operator for King-Drew Medical Center. Larry and his guests discuss the ramifications of the resignation for County Dept. of Health Services, which faces a \$750 million deficit over the next two years.	4/11/08	40:00	Garrett Therolf, Zev Yaroslavsky, Yvonne Braithwaite-Burke

ENT	Larry and FilmWeek critics Lael Loewenstein and Wade Major, talk about why foreign language films have such a hard time finding distribution in the U.S., how critics can encourage audiences to see them, and why Americans seem to have such an aversion to sub-titles	4/11/08	30:00	Lael Loewenstein, Wade Major
ENT	Larry and critics Lael Loewenstein of Variety and Wade Major of boxoffice.com and CityBeat, review some of the week's new feature films including Smart People, Street Kings, The Take, and The Visitor ,as well as the documentaries Bra Boys, Orthodox Stance, and Young & Restless in China. The critics will also discuss the "City of Lights/City of Angels" Festival of French films that run from April 14 to 20th at the Director's Guild theatre. They also talk about the life and career of Charleton Heston, who passed away this week at the age of 84.	4/11/08	30:00	Lael Loewenstein, Wade Major
