8/11/2014	ENV	California is the only western state which doesn't regulate the use of groundwater. But that could soon change. For more on this, Lester Snow of the California Water Foundation joined Take Two on Monday.	Lester Snow	4:48

8/11/2014	ART	Forty five years ago this week, the Manson family brutally murdered seven people, including actress Sharon Tate, who was eight and a half months pregnant at the time. Among Charles Manson's followers was a 21-year-old woman named Patricia Krenwinkel. She recently opened up in a documentary called "Life After Manson."	Olivia Klaus	8:07
8/11/2014	ENT	It was turtle power at the box office, you won't believe what BuzzFeed is doing with 50 million dollars, and a director superhero comes to Aquaman's defense.	Rebecca Keegan	7:12
8/11/2014	ENV	Sacramento lawmakers have until tonight to revise or remove an \$11 billion water bond before it stays on the ballot for November, when it will likely fail.	Melody Gutierrez	4:22
8/11/2014	POLI	We've all heard it: the smashing music, the loud crowds, the roar of engines in the street. It's a house party on your block, on your street, maybe in your building. Now, the city of LA is considering regulating some house parties -- or at least the properties that are rented out to promoters for parties, or so-called "party houses."	LA City Councilmember Paul Koretz	4:52
8/11/2014	HEAL	According to a new study, eating fish once a week can help prevent the onset of Alzheimer's disease. The study's lead author joins A Martinez to talk about why.	Cyrus Raji	4:17
8/11/2014	HEAL	When families move a loved one into an assisted living facility, there's an expectation that if something goes wrong, there will be consequences. But according to California Report's Rachael Myrow, this is not always the case.	Rachael Myrow	5:55
8/11/2014	MEDI	Austin Buetner was named publisher and chief executive officer of the newspaper. This comes a week after the Tribune Company spun-off its publishing group, including the Times, into its own entity. Buetner has a long reputation as a civic leader in the city. For more on the challenges Buetner will face, we turn to Ken Doctor of the Newsonomics blog.	Ken Doctor	6:24
8/11/2014	HEAL	Mammograms in the Los Angeles area come with large, varying price tags. However, as KPCC's Rebecca Plevin reports, those prices are just the portal into what medical professionals call an "unusual industry."	Rebecca Plevin	3:34
8/11/2014	ART	L.A.-based photographer has been drawing attention to garbage. His series "7 Days of Garbage" will change the way you look at your trash.	Gregg Segal	7:22
8/11/2014	POLI	You might say California politics is a sort of Shakespearean drama: Power grabs, betrayal, fatally flawed leaders. All the classic elements are there. Now the Cornerstone Theatre group in Los Angeles has reimagined Shakespeare's The Tempest into a modern parable. It includes state politics, drought, earthquakes, overdevelopment, immigration policy.	Steven Cuevas	5:31
