Re: Pasadena Area Community College District (FRN 0005-0852-04)  
KPCC-FM1 Santa Clarita, CA (Facility ID No. 178427)  
Notice of Suspension of Operations

Dear Ms Dortch:

In accordance with 47 CFR 74.1263(c), Pasadena Area Community College District ("PACCD"), licensee of booster station KPCC-FM1, Santa Clarita, CA, hereby notifies the Commission that KPCC-FM1 was taken off the air on May 26, 2010 at approximately 12:00 p.m.

On April 26, 2010, PACCD notified the Commission that KPCC-FM1 had been taken off the air on April 20, 2010 in order to alleviate interference to primary station KPCC. KPCC-FM1 resumed broadcasting on May 7, 2010 and operated with reduced interference until May 26, 2010, but has again been taken off the air so as to develop a means to further reduce interference. An STA to remain silent will be filed if KPCC-FM1 is not returned to the air by June 25, 2010.

Respectfully submitted,  
  
John Crigler
