RE: FM Booster Station KPCC-FM1
Facility ID No. 178427
Santa Clarita, California
FCC File No. BLPFTB-20100408ABF

SUBJECT: Surrender of License for Cancellation

Dear Ms. Dorch:

On behalf of Pasadena Area Community College District, I tender herewith for surrender and cancellation the authorization for the above-referenced FM booster station. It was applied for and issued in error, to cover the facilities authorized in FCC File No. BNPFTB-20080917ACK. Those facilities were subsequently modified.

The license application should have specified the modified facilities authorized in FCC File No. BMPFTB-20081212ABH. The licensee has filed an application for license specifying the modified facilities, FCC File No. BLFTB-20100609AE, to supersede the license enclosed herewith.

Kindly communicate any questions directly to this office.

Respectfully submitted,

John Wells King

Authorizing Official:
Penelope A. Dade
Supervisory Analyst
Audio Division
Media Bureau
Grant Date: April 22, 2010
This license expires 3:00 a.m.
local time, December 01, 2013.

This license covers permit no.: BNPFTB-20080917ACK

Subject to the provisions of the Communications Act of 1934, subsequent
acts and treaties, and all regulations heretofore or hereafter made by
this Commission, and further subject to the conditions set forth in this
license, the licensee is hereby authorized to use and operate the radio
transmitting apparatus herein described.

This license is issued on the licensee's representation that the
statements contained in licensee's application are true and that the
undertakings therein contained so far as they are consistent herewith,
will be carried out in good faith. The licensee shall, during the term of
this license, render such broadcasting service as will serve the public
interest, convenience, or necessity to the full extent of the privileges
herein conferred.

This license shall not vest in the licensee any right to operate the
station nor any right in the use of the frequency designated in the
license beyond the term hereof, nor in any other manner than authorized
herein. Neither the license nor the right granted hereunder shall be
assigned or otherwise transferred in violation of the Communications Act
of 1934. This license is subject to the right of use or control by the
Government of the United States conferred by Section 606 of the
Communications Act of 1934.
